JAMES PERSE LOS ANGELES

OVERVIEW

James Perse's passion for minimalist architecture influenced by warm west-coast indoor outdoor living and the casual clothing that's inspired by it, ultimately resulted in James' personal design philosophy and aesthetic - low maintenance, high fashion - emphasizing elegance and comfort, pairing sophistication with simplicity. The same visionary approach is applied to his home decor items. His high-quality basics & ready-to-wear items (including jackets, sweaters, pants and dresses) cater to women, men and children.
