

Signature by Shelley Alexanian

CLIENT GALLERY

OVERVIEW

The Signature by Shelley Alexanian flagship store opened in the Castlefield Design District of Toronto. An extension of the Alexanian carpet, flooring and window coverings chain, which operates 19 stores throughout Ontario, Signature is a departure from the traditional suburban big box. This store aims to make floor shopping a vibrant and enjoyable experience for shoppers. The store was designed to look like an oversized boutique, with products on display against a clean, white background
